

You can re-take tests if you earned less than a 70% on them. The highest re-take grade is a 70%. In order to re-take a test, you must do the following:

- 1) Make sure that all homework is turned in/completed for that module. That includes any required scratch work. If you have misplaced your original worksheets, you can look them up on my weebly and write your answers on notebook paper. Be sure to label your paper.
- 2) Complete the test remediation assignment on Into Math, and turn in the scratch work.
- 3) Re-Take the test on Dec 3rd or Dec 17th.
- 4) There will be three OPTIONAL after-school tutoring sessions available. Thursday Dec 2nd, Thursday Dec 9th, and Thursday Dec 16th. Students MUST reserve a spot in advance by having a PARENT e-mail me with a request. I MUST have contact with a parent before you can stay after. I have to verify how you are getting home. Students MUST be picked up no later than 5 pm on those dates unless they are enrolled in the extended day program.

Module 4 Homework:

- Oct 13th Khan
- Oct 18th Khan and scratch work
- Oct 20th Khan and scratch work

Module 5 Homework:

- Module 5 "Are You Ready?" and scratch work
- Hw pages from "Introduction to Ratios" and "Using Tables to solve Ratios"
- Nov 3rd Khan and scratch work
- HW page from "Ratios and Unit Rates"
